A Pastoral Perspective

Thanks Be to God

"Those who are well have no need of a physician, but those who are sick" (Matthew 9:12). "If, therefore, you are heavy laden and feel your weakness, then go joyfully to this Sacrament and receive refreshment, comfort, and strength."[1]

Hear your need: ***"Now the works of the flesh are evident: sexual immorality, impurity, sensuality, idolatry, sorcery, enmity, strife, jealousy, fits of anger, rivalries, dissensions, divisions, envy, drunkenness, orgies and things like these"*** (Galatians 5:19-21). Luther gives this most profound bit of advice for those who do not see their weakness and their own needs for the Sacrament. "For those who are of such a mind that they do not realize their condition I know no better counsel than that they put their hand into their shirt to check whether they have flesh and blood."[2]

The condition of man is wretched. ***"I know that nothing good dwells in me, that is, in my flesh"*** (Romans 7:18). Who will save me from this body of death? Thanks be to God who gives us the victory through Jesus Christ, our Lord!

November is a month of thanksgiving. It is a month to give thanks to God for all He has given to us. Chief among His gifts is the Eucharist.

"Eucharist" comes from a Greek word meaning thanksgiving. It is another way to speak of the Lord's Supper or Holy Communion or the Sacrament of the Altar. And it is what the people of God do. The people of God give thanks.

Think through the Lutheran liturgy. In response to hearing the Holy Scriptures we respond to "This is the word of the Lord" with "Thanks be to God." As part of the Preface you hear the pastor chant, "Let us give thanks unto the Lord, our God," and the people chant, "It is meet and right so to do." In the Proper Preface the pastor chants, "It is truly, meet, right, salutary, that we should at all times and in all places give thanks to you, Holy Lord, Almighty Father, Everlasting God, through Jesus Christ, our Lord." Why do we give thanks through Jesus? Through Him we receive the forgiveness of our sins. On the night in which Jesus was betrayed He took bread and gave thanks. Likewise, He took the cup and gave thanks. Jesus takes time to pray before His meals. The Eucharist is given. After the distribution the people hear, "O give thanks to the Lord for He is good."

Thanksgiving surrounds the entire meal. This is as it should be. We are people who give thanks to God and who recognize the reason for our thanks. The Lutheran liturgy also teaches us the chief way we give thanks to God.

We give thanks to God by receiving what He distributes to us for our salvation. We give thanks to God by coming to the meal of thanksgiving. We give thanks to God by eating and drinking of Christ for our salvation.

There is no greater way to thank someone than to receive what they gift you. And there is no greater gift that God gives to us than the forgiveness of sins. Let us than render our thanks unto the Lord by taking up the cup of salvation. Let us render our thanks unto the Lord by eating and drinking of the crucified and risen body of Jesus for the forgiveness of our sins. And let us confess "Thanks be to God" for this and all the Lord gives to us.
Peace,
Pastor Stefanic

Annual Fall Fellowship with Our Lady of Good Counsel…

Everyone is welcome to join in on our annual Fall Fellowship with Our Lady of Good Counsel. We will meet around 11:30 in the Social Hall after the Nov. 8 Sunday morning service. We are planning a light reception with an ingathering of food items collected from both congregations that will be delivered to the House of Neighborly Service, which serves families in Monroe county. You can wait and bring your donations to the hall on the day of the reception or bring them into the hall anytime after Wurstmarkt Sunday. The board will furnish the drinks and members of each congregation are welcome to bring appetizers, finger food or desserts. Just light food items please. This should be an enjoyable way to celebrate helping others less fortunate.

ALTAR GUILD GIRLS CONFERENCE

An Altar Guild Girls Conference was held at St. Paul in Hamel, Illinois in mid-October. It was for girls in 4th grade through high school along with adult Altar Guild members. Those attending from Holy Cross were Hannah, Miriam and Lisi Stefanic and Sharon Bartosik. There were around 60 young girls and adults from 4 states and 16 congregations. We gained a wealth of information from three speakers along with an Altar Guild guidebook to bring back and work from.

Our first presentation was from Pastor Buchs who explained the Biblical roots of the Altar Guild. He reminded us that the Lord is perfect and we are to put forth the best and finest for the "Glory of God." Our second presentation was from Mrs. Tori Egger who spoke on Parish Hospitality: Making God's house a home for His people and sharing ways to serve and love one another. Our third presentation was from Mrs. Curtis who introduced those in attendance to the Altar Guild Girls program hosted at St. Paul, Hamel and Trinity, Worden and gave ideas about how to begin a similar group in their own parishes. Explaining that Acolyte Training is steering boys to Pastors while Altar Guild Girls is training young girls into church service.
We are excited to form a Girls Altar Guild here at Holy Cross for young girls to participate while training them and keeping them to continue serving in our church.

- Thank you to everyone who helped with the LWML Sunday handouts. What a great bunch of ladies.

UNITY LUTHERAN SCHOOL, EAST ST. LOUIS – BELONG TO JESUS SCHOLARSHIP $5,000

The Belong to Jesus Scholarship fund provides tuition assistance to low-income families to attend Unity Lutheran Christian Elementary School. Many East St. Louis families face financial hardship and seek a safe, nurturing school environment for their children. The Belong to Jesus Scholarship supports the families by providing access to a Lutheran, Christ-centered education while offsetting the cost that may otherwise exclude the student from receiving a Christian education. Unity's mission is to teach children 9 about Jesus. The goal is to extend Christ's love and the saving message of Jesus Christ with the students and their families.

This $5,000 grant will provide tuition assistance to three low-income, un-churched families, to enable their children to attend Unity Lutheran Christian Elementary School and receive a Lutheran Christian education.

BRAILLE CENTERS IN OUR SOUTHERN ILLINOIS DISTRICT $6,000

Three areas of our district have Braille Production Centers: Bethalto Center 125 Chester Center 165, and New Minden (Nashville) Center 315. Each of these centers make Braille and/or large print books for the blind and visually impaired, thereby showing the love of God to people with visual disabilities so they can grow in their relationship with God. The Braille and large print books that are produced at these centers include a devotional called, "Begin with God," the Bible study "Today's Light," Mustard Seeds, hymns, Portals of Prayer, the Bible, or books of the Bible such as Psalms, Deuteronomy, and Proverbs. Lutheran Braille Centers provide these books in many different languages. English, Spanish, Malayalam, Kiswahili – just to name a few. Then they are shipped all over the world. These centers will use these funds for things like special sized heavy paper, binding spirals, front and back covers, cartons and corrugated cardboard for shipping, and packaging tape.

This grant of $6,000.00 will be shared equally by these three centers. It will allow each center to continue doing the projects assigned by the National Lutheran Braille Workers Office in Yucaipa, CA. What a wonderful way of sharing the Word of God, Jesus' love with this incredibly special group of people.

Please keep them in your prayers!
